Explanations	

Our Company has undertaken the manufacturing of steel pile pipes to be used in the marine structures of the **Kaplankaya Marina Revision Project**, located in Muğla – Milas, one of Türkiye's internationally recognized premium coastal destinations and a project bringing together leading global architecture and tourism brands.

Within the scope of this prestigious project, for which our Company has been selected based on its **advanced engineering, manufacturing and project management capabilities**, a total of **516 steel pile pipes** will be manufactured and delivered. Production and shipments are planned to be completed by the end of 2026.

The order is expected to generate approximately **USD 9 million** in sales revenue for the Company.

The Company's selection for high-profile international tourism and marine infrastructure projects further demonstrates its **expertise in high value-added steel pipe products, project-based manufacturing capabilities and potential to access new business opportunities**.

Respectfully announced to the public and our investors.
