Explanations	

Our Company has undertaken the production of **563 steel piling pipes** to be used in the construction of the pier currently being built in the Çanakkale Strait as part of a Ministry of National Defence (MSB) project, with the purpose of meeting the logistical and operational needs of vessels.

Production and deliveries are targeted to be completed **by the end of the first quarter of 2027**, and the project is expected to contribute approximately **USD 12 million** to our Company's sales revenue.

Respectfully announced to the public and investors.

The English translation of this disclosure has been simultaneously disclosed to the public. In the event of any discrepancy between the Turkish and English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
