Explanations	

The Competition Board has decided to initiate an investigation regarding numerous undertakings operating in the automotive industry sector, including our Company, to determine whether Article 4 of the Law No. 4054 on the Protection of Competition has been violated in the labor market.

As known, the initiation of an investigation by the Competition Board cannot be interpreted to mean that the undertakings subject to the investigation have violated Law No. 4054, or that they have faced or will face penal sanctions within the scope of the Law. Important developments regarding the matter will be disclosed to the public within the framework of capital markets legislation.

The English translation of this statement has been publicly disclosed simultaneously, and in the event of any discrepancy between the disclosure texts, the Turkish disclosure shall be considered as the basis

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
