Explanations	

Penta Teknoloji has signed a distribution agreement with Constructor Tech, a company developing AI-powered technology solutions for the education and research sectors. Under the agreement, Constructor Tech's technology solutions for education, assessment, research, and corporate learning processes will be offered in the Turkish market through Penta Teknoloji's broad partner network.

Headquartered in Singapore, Constructor Tech develops integrated technology solutions addressing various stages of education and research processes, ranging from K-12 education and higher education to research institutions and corporate learning.
