Explanations	

On May 4, 2026, it was announced that our company had signed a framework agreement with a "leading technology and defense organization of a friendly and allied country" for the procurement of unmanned aerial vehicles. Following the signing of the framework agreement, field tests of the products covered by the agreement, on-site end-user evaluations, simulation training, and pilot training were successfully completed, and the project has moved on to the next phase.

On September 18, 2026, our company signed an agreement with NRTC, the authorized technology and defense organization of our friendly and allied country, Pakistan, for: signed a "Sales, Distribution, and Local Assembly/Production Agreement" covering 100,000 Merküt FPV Kamikaze UAV systems, 10 Alpin unmanned helicopters, 25 Dumrul mini unmanned helicopters, 500 Deli Tactical Kamikaze units, and 250 Korgan autonomous ground support and observation units.

The term of this agreement is 3 years, and it is anticipated that production and delivery of the ordered products will begin in the near future. We will continue to share updates on this process with our investors and the public.

We hereby bring this to the attention of our investors and the public.
