Announcement Content	
Explanations	

With our public disclosure made by February 18, 2026, it was announced that trial productions had begun at our Sarialan Gold Mine Site.

As of today, the trial production process have successfully been completed, and full-capacity production have already been commenced. During the trial production period, a total of 14,450 ounces of gold concentrate were produced (upto September 15, 2026).

This is the English translation of the original disclosure in Turkish. In case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
