Additional Explanations

By the decision of our company's Board of Directors on October 8, 2026, in accordance with the authority granted in Article 3/D/2 of our Company's Articles of Association, it has been decided to issue debt instruments, in Turkish Lira currency, up to a nominal value of 2,000,000,000.-TL (twobillion Turkish Liras), with a maximum maturity of four years, domestically, to qualified investors, either in a single tranche or multiple tranches, without a public offering. In this regard, the General Directorate is authorized to determine all terms and conditions related to the issuance. The issuance of the debt instruments will be carried out in compliance with the Capital Markets Law, the Capital Markets Board's Circular No. VII-128.8 on Debt Instruments, and other relevant legislation. The debt instruments to be issued will be registered with the Capital Markets Board. Subsequently, necessary applications for listing on Borsa Istanbul A.S. and other relevant institutions will be made after obtaining approvals, and all legal processes will be completed. The necessary applications have been submitted today to the Capital Markets Board for the approval of the Certificate of Debt Instrument Issuance and to Borsa İstanbul A.Ş. for the listing application. No issuance has been made under our Certificate of Debt Instrument Issuance dated 16 October 2025 and valid for a period of one (1) year, which was approved by the CMB. Accordingly, this new application has been submitted for the renewal of the Certificate of Debt Instrument Issuance, the validity period of which is due to expire. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail. Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
