Explanations	

On 15 October 2026, a Share Sale Information Form concerning shares representing 17.18% of our Company's share capital was published on the Public Disclosure Platform ("KAP ") by Rota Portföy Abis Hisse Senedi Serbest Özel Fonu (the "Fund"), whose founder and manager is Rota Portföy Yönetimi A.Ş.

As stated on page 5 of the Share Sale Information Form:

"Mehmet Kutman is the sole unitholder and sole investor in the Fund. Mehmet Kutman now intends to regain direct ownership of the shares representing 17.18% of GLYHO's share capital, which he previously held and transferred to the Fund in May, September and October 2025, through the liquidation of the Fund. Mehmet Kutman will purchase the shares representing 17.18% of GLYHO's share capital to be sold by the Fund. In his KAP disclosures, Mehmet Kutman also identifies the Fund as a party acting together with him. Accordingly, following the transaction, Mehmet Kutman's aggregate direct and indirect shareholding in GLYHO will remain unchanged at 36.61%."

In case of a discrepancy between the Turkish and English versions of this public disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
