Explanations	

The statement "The financial connection between MetropolCard meal card and Tera has been revealed," appearing in the press and on social media, may create a misleading public impression regarding the nature of our Company's relationship with investment funds.

As previously disclosed, neither our Company nor its shareholders have any investments in the investment funds subject to liquidation pursuant to the decisions of the Capital Markets Board of Türkiye, nor do they have any receivables or liabilities arising from the liquidation process of these funds.

Our Company continues to conduct its operations in line with its sustainable growth objectives and remains committed to providing investors with accurate, simultaneous and transparent information.

Developments that may affect our Company's operations, financial position or investors' investment decisions and that require public disclosure will continue to be disclosed through the Public Disclosure Platform (KAP) in accordance with capital markets legislation.

Respectfully submitted for the information of the public and our investors.

This material event disclosure has been prepared in Turkish and English. In the event of any discrepancy or inconsistency between the two versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
