Explanations	

In line with our Company's long-term sustainable growth strategies and our vision of expanding our renewable energy portfolio, our investment plans, which will directly contribute to our country's energy supply security and our Holding's targets, continue unabated.

In this context, our 100% subsidiary Ecogreen Elektrik Enerji Üretim A.Ş. has successfully completed the application process for the YEKA tenders to be organized by the T.R. Ministry of Energy and Natural Resources and has qualified to participate in the projects detailed below.

YEKA RES-2026 Tenders

- R26-Sivas RES (320 MWe)
- R26-Kütahya RES (260 MWe)

YEKA GES-2026 Tenders

- G26-Denizli GES (30 MWe)
- G26-Konya GES (110 MWe)
- G26-Malatya-1 GES (55 MWe)
- G26-Mardin-2 GES (120 MWe)
- G26-Elazığ GES (40 MWe)

The aforementioned YEKA RES-2026 tenders will be held on November 2, 2026, and the YEKA GES-2026 tenders will be held on November 3, 2026. All operational steps regarding the tender processes will be executed within the framework of the official calendar to be announced by the T.R. Ministry of Energy and Natural Resources, and the tender results and all developments regarding the process will be shared with the public and our investors.

Our Company continues its efforts to develop its production portfolio based on renewable energy sources, evaluate investment opportunities, and create sustainable value within the scope of its long-term growth strategy.

We respectfully present this to the information of the public and our investors.

The English translation of this disclosure has been simultaneously announced to the public, and in case of any discrepancy between the disclosure texts, the Turkish disclosure shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
