Explanations	

In our material event disclosure dated 11 June 2026, we announced that Global Ports Holding ("GPH"), our indirect subsidiary, had entered into a Memorandum of Understanding ("MoU") for the purpose of conducting exclusive negotiations regarding the development and operation of St. Vincent Cruise Port.

Our Company has been informed that, following these negotiations, a 30-year concession agreement for the development and operation of St. Vincent Cruise Port, located in Kingstown, the country's capital and main port, was signed on 26 October 2026.

Subject to the fulfilment of the conditions precedent under the concession agreement, GPH is expected to commence operations at St. Vincent Cruise Port in the first quarter of 2027.

Under the agreement, GPH plans to implement a phased investment programme to modernise port infrastructure, expand berthing capacity to accommodate larger cruise vessels and enhance the passenger experience.

St. Vincent and the Grenadines occupies a strategic location in the South-Eastern Caribbean, in close proximity to major cruise destinations such as Barbados, Saint Lucia and Grenada. St. Vincent Cruise Port is expected to welcome over 250,000 cruise passengers during the 2026/27 cruise season and is considered to offer significant growth potential, supported by GPH's global operational expertise and strong relationships with cruise lines.

In case of any discrepancy between the Turkish and English versions of this disclosure, the Turkish version shall prevail.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
