Explanations	

A contract regarding the 3-year maintenance and repair services of toll collection systems was signed on October 26, 2026, between our subsidiary, **Tetra HGS Elektronik Sistemleri A.Ş.**, and a domestic corporate company. The counterparty is not a related party of our Company.

The ratio of the contract value to the revenue in our Company's consolidated financial statements for the year ended December 31, 2025, is **11.05%**. Since the contract is based on unit prices, the total amount realized may vary depending on the volume of work performed.

The term of the work is **3 years** starting from October 19, 2026.

Respectfully announced to our shareholders and the public.

In case of any discrepancy between the Turkish and the English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
