Explanations	

Information regarding the ongoing processes of our company's New Factory Investment in Turgutlu was previously disclosed on the Public Disclosure Platform (KAP) on 08.06.2026.

At the current stage, the fire compliance report for our investment has been obtained, and the official processes for environmental and ministry permits required for production are ongoing.

Additionally, the installation of machinery and equipment has been completed, and testing and commissioning works of the facility are currently underway.

Presented for the information of our investors and the public.

Sincerely,

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
