Explanations	

In our material event disclosures dated 12 June 2026 and 18 June 2026, information regarding the citrus processing, fruit juice production and cold storage facility investment planned to be carried out in Tarsus by our subsidiary, Konfrut Çukurova Tarım A.Ş., was disclosed to the public.

Within the scope of the aforementioned investment, an Investment Incentive Certificate, valid until 30 September 2029, has been issued by the Ministry of Industry and Technology of the Republic of Türkiye under the Local Development Initiative Program for a total investment amount of TRY 580,232,650, including building construction, machinery and equipment expenditures. The certificate has been issued for a "Complete New Investment." The support elements to be utilized by the investment within the scope of the certificate are listed below.

- Machinery Grant Support
- VAT Exemption
- Customs Duty Exemption
- Tax Reduction (Tax Reduction Rate: 60%, Investment Contribution Rate: 50%)
- Employer's Share of Social Security Premium Support

Within the scope of the ongoing investment process, the facility is planned to become operational in February 2027, following the completion of installation and commissioning activities.

Through the investment to be commissioned in the Çukurova Region, which is one of Türkiye's strategically important regions for fruit and vegetable cultivation, it is aimed to strengthen the Company's regional sourcing and processing capacity, increase operational efficiency, and support its sustainable growth objectives through the development of its value-added product portfolio and storage infrastructure.

Respectfully announced to the public.
