Explanations	

Pursuant to our Company's Board of Directors' Resolution No. 2026/17, it has been resolved that our subsidiary, DOF Robotics Inc., will acquire a property located in Crowley, Texas, United States of America, with the aim of expanding our operations in the North American market.The property is planned to be utilized as a Technology Experience Center in North America, where our Company's technologies and products will be showcased and experienced, while also supporting commercial activities with the objective of generating revenue.The purchase price of the property and related expenses are expected to be financed through DOF Robotics Inc.'s own resources and, if necessary, loans obtained by the subsidiary. Furthermore, the Company aims to benefit from potential incentives and support programs offered by relevant public authorities in connection with the investment.

The necessary procedures regarding the acquisition will be carried out, and any material developments will be disclosed to the public in accordance with applicable regulations.

Respectfully announced to the public and our investors.
