Explanations	

A sales agreement worth USD 77,000 has been signed with a domestic buyer for US SJV Pima cotton, which is consumed by a very small number of customers due to its physical characteristics and limited production, and is also the most expensive type of cotton in the world.

This statement has been translated into English and simultaneously announced for informational purposes. In the event of any discrepancy between the Turkish and the English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
