Effects On Continuity Assumption Of Company	-
Explanations	

Production activities at our Tosunlar Geothermal Power Plant will be temporarily suspended due to the process of cleaning heat exchangers using water jets. The maintenance work will be carried out from 08.11.2026 (04:00) to 12.11.2026 (04:00). No electricity will be generated at the power plant during this period. However, commercial activities will continue through the procurement of electricity.
