Explanations	

As stated in the prospectus of the Company's IPO, within the scope of the investments undertaken in line with the Company's objectives of sustainable growth, green transformation and increasing efficiency in its production processes, the approval of Sinosure, the state-owned export credit insurance agency of the People's Republic of China, for the utilization of a loan to finance the Company's Rolling Mill Modernization Project, involving a planned investment amount of EUR 22.352.941,18, was obtained as of November 09, 2026.

The aforementioned investment is expected to contribute positively to the development of the Company's sustainable production capacity, enhancement of its competitiveness in international markets, and improvement of its cost structure and profitability in the medium and long term.

Any material developments regarding the matter will be disclosed to the public and our investors in accordance with the applicable legislation.

Respectfully announced to the public and our investors.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
