Explanations	

Pursuant to Article 29, Paragraph 5 of the Capital Markets Board's Communiqué on Shares (Communiqué No. VII-128.1), a partnership whose shares are offered to the public for the first time is required, for a period of two years following the commencement of trading of its shares on Borsa İstanbul, to prepare a report assessing whether the assumptions underlying the determination of the public offering price have materialized and, if not, explaining the reasons therefor. The said report must be published on the Company's website and on the Public Disclosure Platform (KAP).

Attached hereto is the 4th Realization and Assessment Report on the Assumptions Underlying the Determination of the Initial Public Offering Price of ARF Bio Renewable Energy Generation Joint Stock Company.

We hereby submit this disclosure for the information of the public and our investors.

The English translation of this disclosure has been published simultaneously. In the event of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.
