## Additional Explanations

Our Board of Directors convened at the company headquarters and adopted the following resolutions:
Within the scope of the Share Buyback Program amounting to TRY 200,000,000, which was approved by our Company's Board of Directors resolution dated 23.09.2026 and announced on the Public Disclosure Platform (KAP) via a material event disclosure on the same date, it has been identified that the maximum fund amount of TRY 200,000,000.00 allocated for the buyback reached a total of TRY 202,221,220.68 through the purchases made, resulting in an inadvertent excess of TRY 2,221,220.68. On the other hand, taking into account the developments in the capital markets and the fact that our Company's share price does not reflect the true performance of our Company's operations, in order to contribute to the healthy and stable price formation of our Company's shares on Borsa Istanbul, protect the rights of shareholders and all stakeholders, and support investor confidence, it has been unanimously resolved:

1. Regarding the program approved on 23.09.2026 *(Note: Corrected from "23.09.20226" in the source text)*;

- To increase the maximum number of shares subject to buyback to 100,000,000 shares (with a nominal value of TRY 100,000,000),
- To increase the total fund amount allocated for the buyback to TRY 400,000,000.00,

1. To maintain the existing 3-year program duration as is, and to authorize the Company's General Manager, Celal Kalkan, to carry out the transactions,
1. To deduct the utilized fund of TRY 202,221,220.68—resulting from the purchases amounting to TRY 202,221,220.68 executed up to the date of this resolution—from the new fund of TRY 400,000,000.00, and to deduct the 36,259,746 shares purchased from the 100,000,000 shares,
1. To submit the share buyback program for the information of the shareholders at the first General Assembly meeting.

We submit this to the information of the public.
Sincerely,

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and

documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
