Explanations	

Within the scope of the works carried out to enhance occupational safety at our Şabanözü Factory site, the building permit for the **Fire Water Tank and Pump Station** was obtained from the relevant municipality following the completion of the permitting process **in accordance with the applicable legislation**.

The said investment has been undertaken to enhance occupational safety measures at our Şabanözü Factory site and **to ensure compliance with the applicable legislation**, and the necessary procedures regarding the occupancy permit will be carried out.

Respectfully announced to the public.

Sincerely,

The English translation of this disclosure is attached hereto. In case of any discrepancy between the Turkish and English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
