Explanations	

Our Company has received an order from a private company, within the scope of the project titled "Digital Transformation Systems Project for Public Transportation Vehicles with AI-Powered Security Devices", for a total amount of EUR 1,605,984 (including VAT) (89,237,304 TRY), under a project whose end user is a public legal entity.

The order is expected to make a positive contribution to our Company's revenues and business operations.

This announcement is hereby respectfully submitted to the public and our investors.

The English translation of this disclosure is attached hereto. In the event of any discrepancy between the Turkish and English versions of this disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
