Information regarding the news in today's media is provided below

There has been an attack on our IT systems regarding the international money transfers.

Our bank has immediately taken all the preventive measures and all our systems continue to function properly.

This issue has not caused any negative consequences, loss or security breach on our customers.

The issue will not have a material impact on our financials and potential losses are under the coverage of our Bankers Blanket Bond.

In case of contradiction between the Turkish and English versions of this public disclosure, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and

documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
