Explanations	

According to the Presidential Decree published in the Official Gazette dated 30.01.2021 and numbered 3180, RERSM (Renewable Energy Resources Support Mechanism) prices, Local Content Contribution rates and durations to be applied for production facilities with RER (Renewable Energy Resources) certificates from 1 July 2021 to 31 December 2025 were determined.

Since the power plants owned by our company had already received Provisional Acceptances, the electricity generated in our power plants shall be purchased for 10 years from the date of provisional acceptance at a fixed price of 13.3 USD cents/kWh under the state purchase guarantee in accordance with the laws numbered 5346 and 6094.

We are pleased to make this public announcement with all due respect.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
