(I) Transfer of Non-public Registered Shares:

The transfer of registered shares and pre-emptive rights of these shares which are not traded on the stock exchange market shall require the approval of the Company. Provided, however, a shareholder may freely transfer its shares to the holders of the same group of shares or may establish rights of usufruct on its shares in favor of such shareholders. In the same manner, the Group "A" and Group "B" may freely transfer their shares to their subsidiaries which they hold 90 % of the total voting rights (the "Subsidiaries") or may establish rights of usufruct on its shares in favor of the Subsidiaries.

On the other hand, with regard to the transfer of the shares by a shareholder to a third party or establishment of rights of usufruct on such shares in favor of a third party other than the holders of the same group of shares or the Subsidiaries, the Company may withhold its approval and consent for such share transfer or for establishment of rights of usufruct thereon based on any or all of the following material reasons (the "Material Reasons"):

a) In order to maintain the joint management of Koç Holding A.Ş. and CNH Industrial NV, if and when a third party which is not a member of Koç Group or CNH Industrial NV is willing to acquire shares or rights of usufruct thereon;

b) If and when a competing company or entity (the "Competitor") or owner, operator, or partner (including private or venture capital funds and their partners) of a Competitor, or any director or employee of a Competitor, regardless of its position therein, or its spouses and family members, or any companies or entities directly or indirectly controlled by the above are willing to acquire shares;

c) For the sake of protection of the economic independence of the Company, if and when any person or a group of persons acting together is willing to directly or indirectly acquire shares equal to or more than 5% in total of the share capital of the Company;

(i) Provided, however, if a shareholder willing to transfer its shares (the "Transferring Shareholder"), firstly, offers such shares (the "Offered Shares"), at the bidding price and terms of the potential buyer (the "Potential Buyer") which reflects the prevailing market conditions (the "Offered Price and Terms"), to the other non-public group of shareholders ("Offerees") pro-rata to the shareholding of the Offerees among the Company's total non-public shares in accordance with the following procedure, then the Transferring Shareholder will be entitled to freely transfer the Offered Shares to the Potential Buyer at the Offered Price and Terms. In such case, the Transferring Shareholder will grant an option right to the Offeree(s) for the purchase of the Offered Shares which shall be exercised within a period of 30 (thirty) days. If the whole of the Offered Shares is not purchased by the Offeree(s) in such option period of 30 days, the Transferring Shareholder may, upon completion of the process specified in Article 8(ii), freely transfer the Offered Shares to the Potential Buyer at the Offered Price and Terms and such transfer shall be recorded in the share ledger of the Company. If a purchase notice for the Offered Shares is served by more than one Offeree, then each of such Offerees may purchase the Offered Shares pro-rata to its shareholding among the total number of non-public shares held in the Company by such Offerees. If and when only one of the Offerees wishes to acquire the Offered Shares, only whole of the Offered Shares will be purchased by such Offeree.

If the Transferring Shareholder fails to offer the Offered Shares to the Offerees as specified above, then the Company may withhold its approval for such share transfer based on any or all of the Material Reasons.

(ii) Besides or simultaneously with the procedure described in Article 8(i), the Company may purchase the Offered Shares at their actual value applicable at the moment the sales notice is served (the "Actual Value") on behalf of itself, other shareholders or the third parties. For this purpose, the Company will send a notification to the other group of shareholders of the non-public shares ("Notified Shareholders"), requesting them to notify the Company of their intention to purchase the Offered Shares at their Actual Value in 20 (twenty) days

ARTICLES OF ASSOCIATION OF TÜRK TRAKTÖR VE ZİRAAT MAKİNELERİ A.Ş.

("Notice Period"). Thereupon, if whole of the Offered Shares are requested to be purchased by the Notified Shareholders within the Notice Period, the Company will purchase the Offered Shares from the Transferring Shareholder at their Actual Value on behalf of the Notified Shareholders. In this case, each of the Notified Shareholders may purchase the Offered Shares pro-rata to its shareholding in the total number of non-public shares held by the Notified Shareholders in the Company. If only one of the Notified Shareholders is willing to purchase the Offered Shares, the Company will purchase only whole of the Offered Shares on behalf of such Notified Shareholder.

In the event that no purchase request received from the Notified Shareholders within the Notice Period or the Notified Shareholders are willing to purchase only a portion of the Offered Shares, within no later than 15 (fifteen) days after the expiry of the Notice Period, the Company may purchase: **(a)** all of the Offered Shares if none of Notified Shareholders serves a purchase request, or **(b)** the remaining portion of the Offered Shares if the Notified Shareholders are willing to purchase only a portion of the Offered Shares, on behalf of itself or third parties, in its sole discretion, at the Actual Value, or otherwise, the Transferring Shareholder may freely transfer all of the Offered Shares to the Potential Buyer at the Offered Price and Terms and such transfer shall be recorded in the share ledger of the Company. For the avoidance of doubt, in order to withhold its approval for the transfer of the Offered Shares by the Transferring Shareholder to the Potential Buyer by way of purchasing the Offered Shares at the Actual Value according to the provisions of this Article, the Company shall be obliged to purchase all of the Offered Shares either on behalf of itself, the Notified Shareholders or third parties as stipulated in this Article 8(ii).

(iii) In the transactions carried out by the Company and the decisions taken by the Company pursuant to the procedures stipulated in Articles 8(i) and (ii), the member(s) of the Board of Directors designated by the Transferring Shareholder or otherwise having any relation with the Transferring Shareholder, other than the independent members, shall not be entitled to participate in such negotiations and shall not have any voting rights. In this condition, such decisions shall require the affirmative votes of the simple majority of the remaining members of the Board of Directors.

Furthermore, if the transferee does not explicitly declare and warrant that it has purchased the subject shares in its own name and account, the Company may refuse to register such transfer in the company ledger.

In the event of acquisition of shares by inheritance or portioning of inheritance or under a prenuptial agreement or through forced execution proceedings, the Company may reject such share transfer provided that the Company proposes to the acquirer to purchase its shares at the Actual Value.

For the purposes of this Article, the Actual Value of the Offered Shares shall be determined by the Company. If and when the Transferring Shareholder objects to the Actual Value determined by the Company, then and in this case, the Actual Value shall be determined by an independent audit firm having no direct or indirect shareholding or management relations with the Company or the Transferring Shareholder (the "Independent Audit Firm"), or by consultancy firms operating under a license, know-how or similar agreements entered into with the members of such Independent Audit Firms, or by intermediary institutions holding both an authorization certificate for underwriting of public offerings and an authorization certificate for investment counseling or by non-deposit banks.

Following the completion of this above-mentioned process, the 5th and 6th subsection of 493rd article of Turkish Commercial Code is reserved.

The arrangement related to the limitation of transferring shares stated in this article 8 (I) shall be applied by shareholders also in transferring of pre-emptive rights by comparing.
