PRESS RELEASE / KAP DISCLOSURE

SASA launches an offering of EUR 200 million guaranteed convertible bonds due 2026

22 June 2021 – Adana, Turkey – SASA Polyester Sanayi A.Ş. (ISIN: TRASASAW91E4) (“**SASA**” or the “**Company**”) announces today the launch of a EUR 200 million offering (the “**Offering**”) of unsubordinated, unsecured, guaranteed convertible bonds due 2026 (the “**Bonds**”), convertible into new and/or existing fully paid ordinary shares of the Company listed on Borsa Istanbul (the “**Shares**”).

The net proceeds of the Offering will be used for refinancing existing debt, financing current and future investments and for general corporate purposes.

The Company intends to issue the Bonds in an aggregate principal amount of EUR 200 million, in minimum denominations of EUR 100,000, and in reliance on Regulation S through a private placement to institutional investors outside the United States of America, Australia, Canada, South Africa, Japan and Turkey. The number of Shares underlying the Bonds will be adjusted for any change in the conversion price of the Bonds resulting from dilutive events (such as a share capital increase), and also certain conversion price resets on the first anniversary, second anniversary, third anniversary and fourth anniversary of the Issue Date (to be described in the terms and conditions of the Bonds to be published in due course).

The Bonds are expected to bear a coupon of between 2.50% and 3.25% per annum, payable quarterly in arrear, with the first interest payment due on 30 September 2021. The payment when due of all sums payable by the Company under the Bonds and the related trust deed will be guaranteed by SASA Dış Ticaret A.Ş. (the “**Guarantor**”), a wholly-owned subsidiary of the Company. In addition, the Company agrees to abide by certain covenants (as summarised below and as to be set out in full in the terms and conditions of the Bonds) throughout the life of the Bonds including, but not limited to, the following:

- (i) a negative pledge in relation to the Company, the Guarantor and the Company’s subsidiaries, in respect of capital markets indebtedness (subject to exceptions for non-recourse project financing and other customary exceptions), including in each case in sukuk format;
- (ii) restrictions on loans and advances to any direct or indirect shareholder of the Company or any of its or their respective affiliates or any director of any of the foregoing, subject to certain exceptions;
- (iii) the EBITDA of the Company and the Guarantor (and any other guarantors acceding as an obligor under the Bonds and the related trust deed at a future date) must at all times represent at least 95% of consolidated EBITDA, or, failing which, the Company and the Guarantor must have a consolidated EBITDA of at least EUR 500m;
- (iv) the Company’s total debt must not exceed a certain multiple of consolidated EBITDA as at each quarter-end date during the life of the Bonds, with the permitted level for the 2021 financial year being 450% of consolidated EBITDA and declining to 300% of consolidated EBITDA for the 2026 financial year;
- (v) not to make any dividend declarations or payments in respect of the Shares, payments in respect of any junior-ranking obligations nor to repurchase, redeem or buyback any Shares or junior-ranking obligations, unless the Company’s total debt is at or below an amount corresponding to 300% of consolidated EBITDA, subject to certain exceptions;
- (vi) restrictions on the Company and its subsidiaries from engaging in any business other than that in which the Group was engaged on the issue date of the Bonds and any businesses related, ancillary or complementary to any such business; and

NOT FOR PUBLICATION, DISTRIBUTION OR RELEASE, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA, AUSTRALIA, SOUTH AFRICA, CANADA, JAPAN, OR ANY OTHER JURISDICTION IN WHICH SUCH PUBLICATION, DISTRIBUTION OR RELEASE WOULD BE PROHIBITED BY APPLICABLE LAW

- (vii) to comply with certain additional covenants to be set out in more detail in the terms and conditions of the Bonds, including financial reporting, maintenance of authorisations, restrictions on transactions with affiliates and restrictions on asset sales.

The Company plans to issue the Bonds with a maturity of 5 years and, unless previously redeemed, converted or purchased and cancelled, the Bonds will be redeemed at maturity at 100% of their principal amount. The Bonds are expected to be issued at a price of 100% of their principal amount, implying a gross yield to maturity of between 2.50% and 3.25% p.a. The conversion price is expected to be set at a premium of between 25% and 30% above the arithmetic average of the daily volume weighted average prices of a Share (converted at the relevant EUR:TRY spot rate) during a 15-dealing day observation period (as more particularly set out in the terms and conditions of the Bonds), commencing on (and including) 24 June 2021 and ending on (and including) 14 July 2021.

The Company will be entitled to redeem the Bonds at their principal amount, together with an amount equal to all remaining scheduled coupon payments (undiscounted), at any time (i) on or after 22 July 2024, if the Parity Value of a Bond (as to be defined in the terms and conditions of the Bonds) exceeds 130% of the principal amount of such Bond over a certain period or (ii) if less than 15% of the aggregate principal amount of the Bonds originally issued remain outstanding.

Moreover, the Bonds may be redeemed at the option of bondholders (i) at their principal amount plus accrued but unpaid interest on 30 June 2024, and (ii) at their principal amount plus an amount equal to all remaining scheduled coupon payments (undiscounted) upon the occurrence of a Change of Control Event, a Free Float Event or a Delisting Event (each as to be defined in the terms and conditions of the Bonds).

The coupon and conversion premium of the Bonds are expected to be determined once bookbuilding is completed, with pricing expected to occur on 22 June 2021. Settlement is expected to take place on 30 June 2021 (the **"Issue Date"**). As the Issue Date will fall prior to the expiry of the period referred to above for determining the conversion price (where the agreed conversion premium will be added to the reference price so determined), the Company will announce the reference price and conversion price immediately following the expiry of such period.

Bondholders may exercise their conversion right at any time from the first dealing day following the end of the reference share price observation period (save in the case of Disrupted Days / Market Disruption Events, as to be more particularly set out in the terms and conditions of the Bonds) until the earlier of (i) the 10th business day preceding the maturity date and (ii) the 10th business day prior to the date fixed by the Issuer for early redemption, as the case may be. Upon exercise of their conversion right, bondholders will receive at the option of the Company new and/or existing Shares of the Company plus an amount equal to all remaining scheduled coupon payments (undiscounted).

As this will represent the first international convertible bond to be issued by a company listed on Borsa Istanbul, investors should be aware of the following information:

- (i) the value of the Bonds will be correlated with a number of parameters, including but not limited to the price of the Shares, which are publicly traded; and
- (ii) when purchasing the Bonds, some investors may decide to open a short position in the Shares for hedging purposes. This is a well-known and widely implemented strategy by certain funds in all convertible bond issuances.

To facilitate the participation of these investors in the Offering, Erdemoğlu Holding A.Ş., the main and controlling shareholder of SASA, has entered into a stock lending agreement with BNP Paribas Arbitrage S.N.C., for a number of Shares not exceeding the number of Shares underlying the Bonds, for the purpose of facilitating investors' hedging activities for as long as any Bond remains outstanding.

NOT FOR PUBLICATION, DISTRIBUTION OR RELEASE, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA, AUSTRALIA, SOUTH AFRICA, CANADA, JAPAN, OR ANY OTHER JURISDICTION IN WHICH SUCH PUBLICATION, DISTRIBUTION OR RELEASE WOULD BE PROHIBITED BY APPLICABLE LAW

In the context of the Offering, the Company and Erdemoğlu Holding A.Ş. will agree to lock-up undertakings from the date of pricing of the Bonds until 180 and 90 days after the Issue Date, respectively, subject to waiver by the Joint Bookrunners and to certain exceptions.

An application for the admission of the Bonds to trading on the Open Market (*Freiverkehr*) of the Frankfurt Stock Exchange is intended to be made by no later than the first interest payment date under the Bonds.

This Offering is being managed by BNP Paribas acting as Sole Global Coordinator and BNP Paribas and HSBC are acting as Joint Bookrunners (the “**Joint Bookrunners**”) in relation to the Offering.
