APPENDIX /1

AMENDMENT OF THE DIVIDEND POLICY

Our Company distributes dividends in accordance with the provisions of the Turkish Commercial Code, Capital Markets Regulations, Tax Regulations and other related regulations and the article of our Company's Articles of Association regarding dividend distribution.

In the dividend distribution, in compliance with the Corporate Governance Principles, a balanced and consistent policy is pursued between the shareholders and the Company benefits. In principle, as long as the relevant regulations, investment needs and financial situation allow, **80%** of the Company's net distributable profit for the period, calculated in accordance with the Capital Markets Regulations, taking into consideration the market expectations, long term company strategies, investment and financing policies, profitability and cash position, is distributed in cash **by the decision of the Ordinary General Assembly or the Extraordinary General Assembly** to be held during the year, if necessary, as long as it can be provided from the resources available in our legal records. The General Assembly or, if authorised, the Board of Directors may decide to distribute dividends in instalments in accordance with Capital Market Regulations.

There is no privilege in dividend distribution. Dividends are distributed equally to all existing shares as of the distribution date, regardless of their issue and acquisition dates.

It is aimed to distribute dividends within one month at the latest following the General Assembly meeting, and the General Assembly decides on the date of dividend distribution. According to the Company's Articles of Association, the Board of Directors may distribute advance dividend provided that it is authorised by the General Assembly and complies with Capital Market Regulations. Dividend policy and the annual profit distribution proposal are included to the Annual Report and submitted to the approval of the shareholders at the General Assembly.

GROUP	CAPITAL (TL)	TYPE	NUMBER OF SHARES
A	1,926,795,597.99	Registered	192,679,559,799
C	0.01	Registered	1
Total	1,926,795,598.00		192,679,559,800

The Group C share shall remain in existence until terminated by a decision of the Privatization Supreme Board (or a decision of the relevant authority at that time). In the event a decision might be made for terminating the rights vested in the Group C share, this share shall be converted in to a Group A share.

The shares making up the capital are monitored on the records within the framework of the recording rules.

The capital of the company may be increased or decreased as necessary within the framework of the provisions of the Turkish Commercial Code and Capital Market legislation.

The Board of Directors is authorized to increase the issued capital by issuing new shares up to the ceiling value of the registered capital as deemed necessary in compliance with the provisions of the Capital Market Law as well as restricting the rights of the owners of the privileged shares and limiting the right of the shareholders to buy new shares. The power of restricting the right of buying new shares may not be used in a manner that might create inequality between the shareholders.

In all cases, the Board of Directors shall issue new group A shares in proportion with the shares owned by the Group A shareholders in the Company in case of a capital increase. In case of a capital increase, the shareholders partake by buying the shares to be issued in the same group as they belong. However, the Group C share shall not partake in the capital increase and remain to be a single share.

The Capital Market Board regulations and the provisions of these Articles of Association shall apply for the used or unused pre-emptive rights.

APPENDIX/ 5

REMUNERATION POLICY FOR MEMBERS OF THE BOARD OF DIRECTORS AND EXECUTIVE MANAGEMENT

This policy document defines the remuneration systems and practices of our Board of Directors members and our senior executives, who consist of the general manager, assistant general managers and directors directly reporting to the general manager. Turkish Commercial Code and Türkiye Petrol Rafinerileri A.Ş. In accordance with Article 12 of the Articles of Association, a fixed remuneration is determined each year at the ordinary general assembly meeting for the membership functions of the Board of Directors, valid for the entire Board of Directors. Members of the Board of Directors are paid on a pro-rata basis, taking into account the time they have been in office as of the dates of their appointment and departure.

Members of the Executive Board are also paid within the scope of the policy determined for senior executives, the details of which are explained below.

Additional payment is made to the executive members of the Board in accordance with the policy established for senior executives.

Additional payment is made to the Board members who have been assigned specific duties to support the activities of the Company the amount of which is to be determined by the Board of Directors in consultation with the Corporate Governance Committee.

To the chairman and members of the Executive Committee of the Board which supports the Board in the proper management of the Company in all respects, additional compensation determined by the Board of Directors in consultation with the Corporate Governance Committee by taking into account such Committee Members' contributions, attendance at the meetings, functions, etc. can be granted. Payments made thereof to Executive Committee members within the year are to be deducted from the amount determined at the end of the year.

In respect of remuneration of the independent members of the Board of Directors, a payment plan based on the performance of the Company may not be used.

Pro rata payment is made to the members of the Board of Directors by taking into account the time they carried out their duty between the date of appointment and the date of resignation. Expenses incurred by the members of the Board of Directors on account of making contributions to the company (such as transportation, telephone, insurance, etc.) can be paid by the Company.

The remuneration of Senior Executives is to consist of two components, which are fixed and performance based.

Fixed salaries of senior executives are determined in accordance with international standards and legal obligations by taking into account the prevailing macroeconomic data in the market, the salary policies prevailing in the market, the size and long-term targets of the Company and the positions of the persons.

Bonuses for executives are calculated according to the bonus base, the performance of the Company and the individual performance in a way that will support companies to exceed business goals encourage high performance and reward sustainable success. A summary of the criteria is as follows:

Bonus Base: Bonus Bases are updated at the beginning of each year. They vary depending on the work volume of the executives' positions. When updating the bonus bases, senior management bonus policies in the market are taken into account.

Company Performance: The performance of the Company is determined at the end of the year by measuring the financial and operational targets (market share, exports, overseas operations, productivity, etc.) assigned to the Company at the beginning of each year. In determination of the Company's targets, the sustainability of success and the degree to which it incorporates improvements over previous years are the principles taken into account.

Individual Performance: In the determination of individual performance, the individual and collective objectives and key results determined by senior executives together with their teams and executives are taken into account. In the measurement of individual performance, the principle of achieving long-term sustainable improvement in areas and compliance with Environmental, Social and Governance (ESG) policies apart from the financial dimension are also observed.

Severance payments may be granted to the key executives by taking into account total term of service, term of service as an executive, as well as contributions made to the company, the recent bonus base, and the salaries and bonuses paid in the last year of service.

Total amounts determined by the above principles and paid to the members of the Board of Directors during the year are submitted for shareholder approval at the next general meeting.
