"Kalekim Kimyevi Maddeler Sanayi Ve Ticaret Anonim Şirketi" has been evaluated by JCR Eurasia.

- Sustained revenue growth in FY2025 supported by resilient domestic sales despite the decline in sales volume in 1Q2026
- Consistent EBITDA generation with reasonable margins during the reviewed periods
- Sound coverage and leverage profile supported by the sustained net cash position including 1Q2026 period end
- Favourable liquidity profile despite working capital-driven cash outflows in 1Q2026
- Extensive distribution network and product range along with diversified sales channels and strong collection capability support asset quality
- Solid equity base sustained by internal equity generation despite dividend payments
- Export sales provide natural hedging to a certain extent
- Compliance with the corporate governance practices as a publicly listed company
- Leading construction chemicals producer, long lasting presence in the sector and synergy created within Kale Group
- Rising geopolitical and market risks associated with operations in Iraq
- High operating expense base stemming from the nature and scale of operations pressuring operational efficiency
- Susceptibility of operations to fluctuating input costs and cyclicity of the construction sector may impede sales revenue and profitability metrics
- As actions for a global soft-landing gain prominence, geopolitical risks and decisions with the potential to adversely affect global trade are engendering considerable uncertainty

Essentially, within the scope of the above issues, **"Kalekim Kimyevi Maddeler Sanayi ve Ticaret Anonim Şirketi"** Long-Term National Corporate Credit Rating has been affirmed at **"AA+ (tr)"** with **"Stable"** outlook and its other ratings are as follows.
